26 March 2020

Dear Shareholder

Annual General Meeting 2020

Headlam Group plc (the '**Company**') currently intends to hold the 72nd Annual General Meeting ('**AGM**') at the Company's head office at **Gorsey Lane, Coleshill, Birmingham, B46 1JU at 10.00 am on Friday, 22 May 2020**. The AGM is an important event, providing the Board of Directors (the '**Board**') with an opportunity to respond to your questions. However, in-line with the UK Government's current guidance on actions to help reduce the spread of COVID-19, shareholders are encouraged to utilise methods of voting and/or raising questions which do not require physical attendance at the AGM. Further detail is given below.

At the date of writing, the UK Government has banned all gatherings of more than two people. The Company will monitor guidance issued around this as it develops to assess how it affects the AGM, and will update shareholders via its website closer to the date to confirm whether it will be necessary to change the manner in which the AGM is held in order to comply with this prohibition, should it still be in place at that time. The Company encourages shareholders to refer to the Government's official website, www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public for the latest guidance, particularly in relation to attendance at large gatherings.

The formal Notice of AGM ('**Notice**') stating the business to be considered at the meeting, explanatory notes to the proposed resolutions, and information for shareholders is set out in this document. The Company's Annual Report and Accounts for the year ended 31 December 2019 is now available on our website at www.headlam.com and is enclosed for those shareholders who have requested a paper copy. A resolution to receive and consider the 2019 Annual Report and Accounts, which includes the auditor's report, the strategic report and the directors' report and the accounts for the year ended 31 December 2019, is included in the business of the meeting.

Remuneration policy

As it is three years since shareholder approval of our Remuneration Policy was received, the Remuneration Committee has reviewed the current policy and recommended some adjustments to align it with current governance standards. The Board is keen to ensure that the Remuneration Policy is effectively aligned with the Company's strategy and will continue to closely consider the Remuneration Policy in light of that strategy, together with monitoring regulatory changes and market practice. The full text of the updated Remuneration Policy, and an explanation of proposed changes, is set out in the 2019 Annual Report and Accounts on pages 78 to 87.

Director re-elections

Our Articles of Association require that any Director appointed by the Board must retire at the first Annual General Meeting following their appointment and certain of the other Directors must retire at each Annual General Meeting dependent on the length of their service and the period that has elapsed since their last re-election. However, in accordance with the 2018 UK Corporate Governance Code and in order to increase accountability to shareholders each of the Directors will again retire at this year's AGM and stand for re-election by shareholders. Following evaluation, the Board is of the opinion that all Directors continue to make an effective and valuable contribution to the Company and demonstrate commitment to their respective roles. In addition, the Board is satisfied that each of the Non-Executive Directors remains independent in character and judgement and that there are no relationships or circumstances likely to affect their character or judgement.

I ask you to support resolutions 4 to 9 which deal with the re-election of each of the Directors who have each confirmed their intention to offer themselves for re-election. Biographical details for each Director can be found on pages 54 and 55 of the 2019 Annual Report and Accounts.

2019 final ordinary dividend

The Board continues to recognise the importance of dividend income to our existing and potential shareholders. However, in light of the impact on demand caused by COVID-19 over an as yet unknown time period, it has taken the prudent decision to suspend the 2019 final ordinary dividend which was previously announced within our final results for the year ended 31 December 2019 and detailed in our 2019 Annual Report and Accounts. This reflects the Board's overriding focus on preserving the financial stability of the Company. The Board is committed to providing dividend income to its shareholders, and dependent on prevailing conditions at the time, the Board will consider an appropriate augmentation to the 2020 interim dividend that is normally declared at the time of the Company's interim results announcement and payable in January of the following year. Alternatively, and subject to trading in the final quarter of 2020 and other prevailing conditions at the time, the Company may consider the declaration of a special dividend.

Coronavirus (COVID-19)

The Board is closely monitoring the evolving COVID-19 situation and following all guidance provided by the UK Government and Public Health England to help reduce the spread of COVID-19, with the safety and wellbeing of the Company's stakeholders being of paramount importance. The Board is committed to ensuring that shareholders can exercise their right to vote and ask questions in relation to the performance of the Company at the AGM. Due to the current situation, the Board believe that the safest way for shareholders to exercise their rights at the AGM is by voting remotely through appointing a proxy and utilising one of the remote methods detailed below. Shareholders are strongly encouraged to appoint a proxy as early as possible, even if they would typically intend to attend the meeting in person, if gatherings of more than two people are still prohibited at the date of the AGM. If the AGM proceeds as currently planned, there will be no refreshments provided for attendees either before or after the AGM.

Shareholders should continue to monitor the Company's website and regulatory information service announcements for any updates in relation to the AGM.

Voting at the meeting

Due to the current COVID-19 situation, the Board are keen to ensure that shareholders do not feel in any way disadvantaged by exercising their voting rights remotely. At the meeting, voting on each resolution will therefore be conducted by way of a poll rather than on a show of hands. A poll allows all shareholders, present in person or by proxy, to vote on all resolutions in proportion to their shareholding. The Company will release the results of voting, including proxy votes on each resolution, on its website on the next business day following the AGM and announce them through a Regulatory Information Service.

Voting by proxy

Rather than attending the AGM in person, you are strongly encouraged to appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM. You may register your appointment of a proxy by registering your vote electronically via www.signalshares.com. Registering your vote electronically is entirely secure and ensures the privacy of your personal information. CREST members should use the CREST electronic proxy appointment service. Further details on how to appoint a proxy and submit your voting instructions are set out later in this document.

Submitting questions to the Board

Arrangements have also been made to allow shareholders to submit questions to the Board in advance of the AGM (see note 9 of the Explanatory Notes to the Notice of Meeting). Written answers will be provided in respect of frequently asked questions, where they are able to be answered due to regulatory reasons, and posted on the Company's website after the conclusion of the AGM.

Recommendation

Your Board believes that each of the resolutions contained in the Notice is in the best interests of the Company and its stakeholders as a whole, and recommends you to vote in favour of them, as your Directors intend to do so in respect of their own beneficial shareholdings.

On behalf of the Board, I wish to thank you for your continued support.

Yours faithfully

Philip Lawrence

That, subject to the passing of resolution 12 in this Notice and in place of all existing powers to allot securities given to the Directors, the Directors be and are hereby generally empowered pursuant to section 570 and section 573 of the Companies Act 2006 (the '**Act**') to allot equity securities (as defined in section 560 of the Act) for cash, pursuant to the authority conferred by resolution 12 in this Notice, as if section 561 of the Act did not apply to the allotment.

This power:

 - (ii) the allotment of equity securities for cash otherwise than pursuant to paragraph (b)(i) of this resolution up to an aggregate nominal amount of £212,277.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Act as if, in the first paragraph of this resolution, the words 'pursuant to the authority conferred by resolution 12 in this Notice' were omitted.

- 14.** That the Company be and is hereby generally and unconditionally authorised for the purposes of section 701 of the Companies Act 2006 (the '**Act**') to make market purchases (within the meaning of section 693(4) of the Act) of ordinary shares in the capital of the Company, subject to the following conditions:

Explanatory Notes to the Proposed Resolutions

This year's AGM will be held at the Company's head office at **Gorse Lane, Coleshill, Birmingham B46 1JU on Friday, 22 May 2020 at 10.00 am**. A description of the resolutions that will be proposed at the meeting is set out below.

Resolutions 1 to 12 inclusive are proposed as ordinary resolutions, which means that for each of these resolutions to be passed, more than half the votes cast must be cast in favour of the resolution. Resolutions 13 to 15 inclusive are proposed as special resolutions, which means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be cast in favour of the resolution.

Resolution 1 – To receive the Annual Report and Accounts

The Company is required by law to present to shareholders at the AGM its Annual Report and Accounts for the financial year ended 31 December 2019.

Resolutions 2 and 3 – To approve the Directors' Remuneration Policy and the Directors' Remuneration Report

A Company is required to present to shareholders:

- a Directors' Remuneration Policy, which sets out the Company's policy on Directors' remuneration, for a binding vote at least once every three-year period; and
- an Annual Report on Remuneration, which details the Directors' remuneration outcomes for the financial year under review and how the remuneration policy will be implemented in the following year, for an advisory vote on an annual basis.

Resolution 2 seeks shareholder approval for the revised Directors' Remuneration Policy which is set out on pages 78 to 87 of the 2019 Annual Report and Accounts (the '**Directors' Remuneration Policy**').

It is intended that the Directors' Remuneration Policy will take effect immediately after the AGM and will replace the existing policy that was approved by shareholders in 2017 and which is due to expire this year. The vote is a binding vote and, subject to limited exceptions, no remuneration payment or loss of office payment may be made to a prospective, current or former Director unless consistent with the approved Directors' Remuneration Policy (or otherwise specifically approved by shareholders).

It is anticipated that the Directors' Remuneration Policy will be in force for three years although the Board will closely consider Company strategy and monitor regulatory changes and market practice and may, if deemed necessary, present a revised policy within that three year period.

This Directors' Remuneration Policy has been developed taking into account the principles of the 2018 UK Corporate Governance Code and the views of the Company's larger shareholders.

Resolution 3 is an advisory vote which seeks approval for the Directors' Remuneration Report which comprises the Annual Report on Remuneration and the Annual Statement to shareholders by the Chairman of the Remuneration Committee. The Directors' Remuneration Report can be found on pages 76 to 77 and 88 to 97 of the 2019 Annual Report and Accounts. The Annual Report on Remuneration sets out the remuneration outcomes for the financial year ended 31 December 2019 and how the Directors' Remuneration Policy, if approved at the AGM, will be implemented throughout the financial year ended 31 December 2020.

Resolutions 4 to 9 – Re-election of Directors

Notwithstanding the specific rotation provisions of the Company's Articles of Association, the Board has determined that each of the Company's Directors shall retire and stand for re-election on an annual basis in accordance with the 2018 UK Corporate Governance Code. Accordingly, all members of the Board will retire from office at the AGM and each shall stand for re-election.

The biographies of all the Directors are set out on pages 54 and 55 of the 2019 Annual Report and Accounts.

Following the annual evaluation exercise conducted during the year, the Board, supported by the Nomination Committee, considers that each of the Directors proposed for re-election continues to make an effective and valuable contribution and demonstrates commitment to the role. The Board is content that each Non-Executive Director offering himself / herself for re-election is independent in character and there are no relationships or circumstances likely to affect his / her character or judgement. Accordingly, the Board unanimously recommends the re-election of all Directors.

Resolutions 10 and 11 – To authorise the Board to re-appoint PricewaterhouseCoopers LLP as the Auditor to the Company and to authorise the Directors to determine their remuneration

At every general meeting at which accounts are presented to shareholders, the Company is required to appoint an auditor to serve until the next such meeting. PricewaterhouseCoopers LLP have indicated their willingness to continue as the Company's Auditor for another year. Shareholders are therefore asked to approve their re-appointment (resolution 10) and to authorise the Directors to determine their remuneration (resolution 11).

Resolution 12 – Authority to allot shares

Shareholders are being asked to pass the necessary resolution to grant to the Directors a general authority, for the purpose of section 551 of the Companies Act 2006 (the 'Act'), to allot relevant securities. With due regard to the Investment Association's guidelines, the proposed general authority, is to allot up to an aggregate nominal amount of £636,831 representing 12,736,620 ordinary shares (approximately 15% of the Company's ordinary share capital (excluding treasury shares) in issue at 26 March 2020 (being the latest practicable date prior to publication of this Notice)).

As at 26 March 2020, the Company held 541,278 treasury shares, which represented 0.64% of the Company's issued share capital (excluding treasury shares), which the Company can cancel or hold for sale or use to meet the obligations under the Company's employee share schemes.

This authority will lapse at the conclusion of the 2021 AGM, or, if earlier, at the close of business on 22 June 2021. The Directors consider that this authority is desirable to allow the Company to retain flexibility, although they have no current intention of exercising this authority, except in relation to the potential issue of up to 187,116 ordinary shares of 5 pence each in the capital of the Company proposed to take place on 7 December 2020, in partial satisfaction of the Company's obligations to pay deferred consideration to the previous shareholders of Domus Group of Companies Limited which was acquired by the Company on (and announced on) 7 December 2018.

Resolution 13 – Disapplication of pre-emption rights (special resolution)

Shareholders are being asked to pass resolution 13 to empower the Directors to allot equity securities, or sell treasury shares, for cash as if section 561 of the Act (which gives shareholders certain pre-emption rights on the issue of shares or rights to subscribe for or convert securities into shares) did not apply to any such allotment. The resolution allows the issue or sale of shares in respect of rights issues and other issues pro rata to existing entitlements, and also allows issues or sales for cash (other than in relation to a rights issue or other pre-emptive issue) of shares up to an aggregate nominal amount of £212,277 (representing approximately 5% of the Company's ordinary share capital (excluding treasury shares) in issue at 26 March 2020).

The Directors confirm that they have no current intention of exercising this authority.

In accordance with the Pre-Emption Group's Statement of Principles available at www.pre-emptiongroup.org.uk, the Directors also confirm their intention that no more than 7.5% of the issued share capital of the Company (excluding treasury shares) will be issued for cash on a non-pre-emptive basis during any rolling three-year period.

The authority will lapse at the conclusion of the 2021 AGM or, if earlier, at the close of business on 22 June 2021.

Resolution 14 – Purchase of own shares (special resolution)

The Directors believe that it is in the interests of the Company and its shareholders to continue to have the flexibility to purchase its own shares and this resolution seeks authority from shareholders to do so. The Directors intend to only exercise this authority either to purchase and hold shares in treasury to fulfil the Company's future obligations under its employee share schemes, or where, after considering market conditions prevailing at the time, they believe that the effect of a purchase and subsequent cancellation would be to increase the earnings per share and be in the best interests of shareholders generally.

The Act enables companies to hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under the Company's employee share schemes. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

This resolution renews the authority given at the 2019 AGM. The authority is in respect of no more than 10% of the Company's issued ordinary share capital (excluding treasury shares) as at 26 March 2020 and will lapse at the conclusion of the 2021 AGM or, if earlier, on 22 June 2021. The resolution specifies the maximum and minimum prices at which the shares may be bought. If the Company purchases any of its shares under the authority proposed by resolution 14, the Board will decide at the time whether to cancel them immediately or hold them in treasury.

The purchase of shares will be dependent on market conditions and will also take into account the cash generated in the business and other investment opportunities that may arise over time.

The Directors confirm that they have no current intention of exercising this authority except in relation to purchasing shares into treasury to fulfil the Company's future obligations under its employee share schemes.

Details of share options outstanding and treasury share movements including details of own shares acquired by the Company are shown in note 22 to the financial statements on page 146 of the 2019 Annual Report and Accounts.

Resolution 15 – Notice period for general meetings (special resolution)

This special resolution seeks the approval of shareholders to replace a similar authority granted at the 2019 AGM to allow the Company to hold general meetings, other than AGMs, on not less than 14 clear days' notice as required by the Companies (Shareholders' Rights) Regulations (the 'Regulations'). The shorter notice period would not be used as a matter of routine for such meetings but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The Regulations require that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must meet certain requirements for electronic voting to be made available to its shareholders for that meeting.

The approval will be effective until the conclusion of the 2021 AGM, when it is intended that a similar resolution will be proposed, or, if earlier, 22 June 2021.

Explanatory Notes to the Notice of Meeting

Notes 1 to 17 below give further explanation as to the proxy, voting and attendance procedures at the AGM.

1. Entitlement to appoint proxies

A shareholder entitled to attend and vote at the meeting is also entitled to appoint a proxy or proxies to attend, speak and vote instead of him / her. A shareholder may appoint a proxy or proxies and vote:

- (a) electronically by visiting www.signalshares.com; or
- (b) by requesting a hard copy proxy form directly from the registrars, Link Asset Services, at shareholderenquiries@linkgroup.co.uk or by calling Tel: 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales; or
- (c) in the case of CREST members, through the CREST electronic proxy appointment service.

A shareholder may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a shareholder of the Company.

Appointment of a proxy will not preclude a shareholder from attending and voting in person at the meeting.

2. Appointing proxies in hard copy or electronically (other than through CREST)

To be effective, the instrument appointing a proxy and any power of attorney or other authority under which it is executed (or a notarial certified copy of such power or authority) must reach Link Asset Services, PXS, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4TU not less than 48 hours before the time for holding the meeting. Proxy appointments can be made electronically via the Signal Shares service by logging on to www.signalshares.com. If you have not used the Signal Shares service before, you will need your Investor Code (which is printed on share certificates) in order to register. Electronic proxy appointments must also be received not less than 48 hours before the time for holding the meeting.

3. Electronic proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a '**CREST Proxy Instruction**') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('**Euroclear UK & Ireland**') specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time for the receipt of proxy appointments specified in note 2 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by CREST application host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK and Ireland does not make available special procedures in CREST for any particular message. Normal system timing and limitations will, therefore, apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST systems and timing.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

4. Joint holders

In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority is determined by the order in which the names of the holders stand in the register of members in respect of the joint holding.

5. Entitlement to attend and vote

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the time by which a person must be entered on the register of members in order to have the right to attend and vote at the AGM is close of business on 20 May 2020 or, if the meeting is adjourned, close of business on the date two business days before the date for the adjourned meeting. Changes to entries on the register of members after that time will be disregarded in determining the right of any person to attend or vote at the meeting.

6. Corporate Representatives

Corporations may appoint one or more corporate representatives who, on its behalf, may exercise all of its powers as a shareholder, provided that no more than one corporate representative exercises powers over the same share.

7. Nominated person

If you are a person who has been nominated under section 146 of the Companies Act 2006 (the 'Act') to enjoy nomination rights (a 'Nominated Person') you may, under an agreement between you and the shareholder of the Company who has nominated you, have a right to be appointed (or have someone else appointed) as a proxy for the meeting. If you do not have such a proxy appointment right, or you do but do not wish to exercise it, you may have a right to give instructions to the shareholder who has appointed you as to the exercise of voting rights. If you are a Nominated Person, the statement of the rights of shareholders in relation to the appointment of proxies above does not apply. Such rights can only be exercised by a registered shareholder of the Company.

8. Issued share capital/voting rights

As at 26 March 2020, being the latest practicable date prior to the publication of this document, the Company's issued share capital, including treasury shares, consisted of 85,452,093 ordinary shares of 5 pence each. Of these, 541,278 shares were held in treasury, the voting rights and entitlement to dividends of which were automatically suspended. Accordingly, the total number of voting rights in the Company as at that date was 84,910,815.

9. Right to ask questions

A shareholder attending the meeting has the right to ask questions relating to the business being dealt with at the meeting in accordance with section 319A of the Act. In certain circumstances prescribed by section 319A of the Act, the Company need not answer a question if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or good order of the AGM that the question be answered.

In light of the Board of Director's recommendation in relation to attendance at the AGM as set out in the Chairman's Letter accompanying the Notice of Annual General Meeting, if you have any questions relating to the business of the AGM that you would like to be addressed, you can send an email to headlamgroup@headlam.com including your shareholder Reference Number and we will endeavour to address the issues raised. Any such questions will either be answered at the AGM or written answers will be provided in respect of frequently asked questions and posted on the Company's website. Any questions submitted that are not relevant to the business of the AGM will be forwarded for the attention of a relevant executive or the registrar, as appropriate.

Submitting a question in advance of the AGM does not affect your rights as a shareholder to attend and speak at the AGM.
